- **NEW BUSINESS**
 - ❖ Staff Appreciation week is Feb 6-12
 - ❖ National Teacher day May 4 2022

[Discussion on which dates work best between Feb, May, or Dec. Last year we did a Pizza lunch for the staff for Christmas but we only have 2 meals in the budget. February date is appreciated as it's a "gloomy" time of year and May is a nice pick me up as we head into the end of year. Lots of treats are usually delivered from others around Christmas time.](#)

[Dean and Sabrina putting together a "coupon book" for staff christmas gifts. May include gift certificates but many of the "coupons" are meant to save teachers time. Examples included "free supervision, we pop the popcorn for your class party, free pop from the staff fridge". Discussion of how the SCC may contribute.... Jen motions to contribute \\$250 to staff coupon/gift card book allowing Dean and Sabrina how best to use it \(coffee cards or anything else they deem best\). Nicole seconds. Motion passed.](#)
- **COMMITTEE REPORTS**
 - ❖ SRC Report [holding meetings 2x a month.](#)

[Many different committees within the SRC. No Dances yet but an upcoming scavenger hunt. Last week of school before the break will be Christmas Spirit Week. Giving Tuesday had over 600 food items to donate to the Foodbank.](#)

Will do one now for clothing and likely again in spring for shorts etc

- ❖ Hot Lunch Report
 - ❖ Boston Pizza HQ rewards as of April 26th \$856.26
Credit will expire July 31, 2022

- ❖ Fundraising Report
 - ❖ Solo Italia - had been thought for January however the committee decided to put it on hold and reassess.
We do not want to over extend our school families with fundraisers especially with no upcoming major projects.
We recognize that should we be able to do all budgeted activities and spend our entire budget we may be at a slight deficit if solo italia isn't done or spring fundraiser isn't a huge success... but we have money in the account to cover this and as stated we want to keep our ask of Parents low during covid.

- ❖ Treasurer's Report
 - Current Balance
 - 2021/2022 Operating Budget is \$8900

 - Balance \$17 654.98**

 - o/s deposit to do of \$2233.00**

 - Only things showing going through the account so far is \$1397.50 farm to school and the \$700 SCC Grant.**
