SCC Annual Report and Financials

Hot Lunch

BP's Pizza and fast food hot lunches were the best sellers this year, hamburgers and sloppy joes from McKenna were least popular. McKenna costs us more but the SCC has a good relationship with Angelo and McKenna is affiliated with the school so will continue to use McKenna for hot lunches next year. Total hot lunch donations given during this school year was $350 and $1000 from previous years. We also incorporated the option to e-transfer this year, which has become a popular choice. About half the students have been using e-transfer and the other half are still sending cash with their forms.

Fundraising

We had two main fundraisers this year - Purdys Chocolate (profit $1,981.07) in December and a soup Fundraiser with McKenna (profit $4,844) in February for a total of over $7,000 in fundraising profit this year. The SCC used fundraising profits to purchase a new sound system for the school, 10 ipads, back to school bbq, playground + recreation items for recess and gym, teacher appreciation treats, face to face, year end awards / music fest / sacramental gifts / grad gifts, and more.

Treasurer

The SCC bank account is currently at $15,525. Does not include funds from the most recent hot lunch. We have about $4,000 less than what was in our account last year, and have made substantial purchases for the school this year (listed above in fundraising) compared to what we spent last year.
