Outstanding Business

- * Accessible playground update - Aug 10th they started digging out the rocks from the playground with the help of volunteers and a bobcat, this will be ongoing for the rest of the week. Then on Aug 24th - Aug 25th the rubber pavement will be put in.
- * Back to School BBQ - The BBQ is booked from the Weyburn Credit Union and will be picked up at 3 pm. SCC volunteers to meet at 4ish to start cooking hot dogs, and then the BBQ will be held from 5-7. Looking at ordering from Co-op 700 hot dogs and buns. 20 24 packs of water. 16 cases of chips are being ordered from wholesale. This is roughly the same as we ordered last year for back-to-school BBQ. Will have 3 tables set up with condiments, chips, and water and a sign-up sheet in case anyone is interested in volunteering for hot lunch or being a part of the SCC. The BBQ will go in the bus chute lane and Co-op will deliver the order on the 31st beforehand. Jen brought up an idea that when we are doing events like this that the SCC is putting on, possibly look into getting some SCC shirts that we could wear.
- * Welcome back breakfast - Jen talked to Bruno at the end of the year but hasn't had communication since. Taylor is going to take over talking to Bruno in regards to anything the Knights of Columbus wants to do in regards to collaborating with the SCC. Welcome back breakfast will be a "lunch" type event and will work very similar to Shrove. Looking at 2nd week of school to have this event.
