Accept Previous Meeting Minutes: Erika accepted, Dallen seconded

Outstanding Business:

Flower Beds in the front of the school. Sheena volunteered to ask Wholesale if they'd be interested in making a donation the next time she's there. Tabled until closer to Mother's Day weekend when more plants are available. Erika and Sheena offered to spearhead this.

Teacher Appreciation gift in May. We have approximately $500 left to spend. Discussed cinnamon buns again for the staff in May as it was a huge hit earlier in the year. Will discuss further in special events group chat closer to May.

K of C Bingo Shifts + Kitchen Shifts during the fair. Bingo is held the 1st & 3rd Wednesday of every month from 6-10pm. Discussed putting a notice for this on Edsby for all parents in the school to see if anyone would be able to help volunteer. SCC members to go first to check it out and get more info if SCC would receive funds for working shifts or if it's strictly volunteer based. Reminder to keep kitchen shifts at the Knights booth during the fair in mind the closer we get to July.

Upcoming AGM in May. Discussed a date for the AGM- all agreed that AGM will be held on Wednesday, May 21st @ 6:00pm. Jenn encouraged everyone to spread the word and to let her know if anyone plans on stepping down from their current position.

New Business:

Weyburn Credit Union Grant. Taking applications for nonprofits right now. We have until April 10th to apply. Need to know how much we are asking and what it's for. Jenn will put the application link in the group chat. Discussed requesting a fridge/freezer (include all the other costs that would be associated such as an electrician, etc) to help store additional food as our freezer space is always limited.

Committee Reports

SRC Report

Brina – discussed prior and upcoming SRC events.

Principals Report - Sabrina

- See attachment for Sabrina's full report.
- Legacy school received the grant from Wholesale that includes daily cheese string, yogurt, etc. Sabrina brought it up as it may be worth us looking into trying to apply again since we originally thought the school would not be eligible.
- Taylor asked if there will be a book fair this year – Michelle said they are planning one for next year.
- Discussed if SCC should provide lunch or supper for the teachers during SLC week. Tabled until next meeting.

- On May 14th for mental health week – Tyler Smith is coming to speak to Grades 6-9 in the afternoon and then speaking again that evening. Tickets are available and is a free event to the public.

Hot Lunch – Erika

- Only 3 hot lunches left this year!
- Sides for pizza hut hot lunch next month have been figured out.
- Discussed SCC could put together a taco hot lunch in partnership with a local meat shop. Sabrina mentioned that she will have to adjust our insurance if we do decide to go that route. Also discussed doing a taco lunch with McKenna next year instead.
- Erika offered to go grab disposable large tins for tomorrow's hot lunch leftovers if needed.
- Sabrina let us know we used the remaining $300 from a hot lunch donation. There is still another separate hot lunch donation of $1,000 that has not been used. Discussed carrying some of the money over to next year and just using what we need for remaining hot lunch donations this year.

Fundraising Report- Kiteen

- Thank you to those who were able to help during money sorting & pick up for the McKenna fundraiser!!
- We sold 1,211 items for a total of $9,688. 50% profit was split with McKenna for a total of $4,844 in revenue. Very close to what we made last year with the Welsh Kitchen soup fundraiser (1,245 soups sold, for a profit of $4,980 - a 50% profit split deal as well.)
- Angelo is interested in a yearly fundraising partnership, changing up the items that are sold each year. He did not account for his operating / grocery costs when the $8/item price was set, so cost per item may increase a little next year.
- Erika mentioned that he approached her about potentially doing a Valentine's gala in February as a fundraiser next year as well. He seemed very eager about it. Tabled for now, fundraising committee will discuss in the next school year.

Treasurer Report – Taylor

- Nothing new to report

Additional Comments: Discussed not needing a meeting next month, but may have another meeting in June after the AGM.

Sabrina mentioned we do not need to place an order for sacramental gifts this year, but will need to order more next year. Michelle confirmed the sacramental gifts are already packaged and ready to gift to applicable students for this year.

Next Meeting: AGM on Wednesday, May 21st @ 6:00pm
