New CFO announced

Provincial Announcement- March 10th, the governments of Saskatchewan and Canada have signed a $15.8 million three-year agreement under the National School Food Program.

The federal investment is in addition to Saskatchewan's Child Nutrition Program, which in 2024-25 invested $2.7 million to assist school divisions and community-based organizations in addressing child hunger, offer nutrition education and provide skill-building opportunities like cooking classes.

Division Theme and Strategic Plan

- Catholic Distinctiveness
- Provincial Education Plan- Priority Actions
  - Assessment Practices
  - Supported Transitions
  - Mental Health and Well Being
  - First Nations and Metis Education Policy Framework
