Outstanding Business

- Field day June 27th. Knights of Columbus are wanting to partner with us to give the kids a hot dog lunch and treats. Jen has reached out to Bruno to get planning details in order. As a treat going to look into an ice cream option at the Co-Op to keep things local.
- Accessible playground. Dean has made arrangements to finalize phase 2 of putting rubber down on the playground. The last \$5000 is going to be covered by school generate rentals to cover this last portion. Aug 8th & 9th is the starting prep for the playground. Aug 24th & 25th are the actual rubber paving. The total cost of this whole project is approx \$200K. There have been lots of grants and money set aside for this project, also fundraising, school-generated funds, and SCC donations were able to make this project complete.

New Business

- June 21st Awards night. A presenter is needed from SCC to present 2 music awards and a certificate to explain the grade 9 gifts from the SCC. Kaitlyn volunteered. This will be held at 7 pm.
- Back to School BBQ/ Welcome Night. Sept 5th is the first day of school. Aug 31st from 5 pm-7 pm is when we will hold the BBQ. Melissa B is going to check on the availability of the BBQs from the Credit Union.

Fundraising - Allyson

- Mabel's labels are up for renewal. Easy for the SCC to manage. Would like to get it out a little earlier for the Pre-K and K families.
- New fundraiser ideas. If we do creative eats again maybe less options. Same with Solo Italia.
- Finding a new place to sort instead of sorting at the school for things like that was suggested. Creative eats was difficult with people interrupting
- Whole PC Points - Wholesale going to look into if unused points can get put towards points for St Mikes. Couldn't apply for Wholesale Children Charity but Jen will look at this option again in the new school year.

Treasureres Report - Melissa S

- Currently have about \$23K in the account. Still have face-to-face to come out. The year ends treats come out. May hot lunch cost.
