Committee Reports

No SRC Report

Principal Report - Dean

- Before and After School Program is starting this year.
- Have gained a few more families to the school this year.
- Storage unit that had furniture that was put away during COVID was wrecked from storms. Looking into an insurance claim.

Hot Lunch Report – Megan

- Discussed if there should be a monthly or yearly form. Leaning towards monthly forms.
- Dean was going to look into doing a possible google form for the hot lunch program vs using paper forms.
- \$10 for hot lunches. This should hopefully balance out when some items are going to be cheaper or more expensive
- Subway has been requested a lot for hot lunches but the form is quite a lot for just one child. Megan was going to look at doing Prairie Donair instead.

- Going to be using McKenna Hall for a couple meals. As well as Boston Pizza, KFC and Freshii.
- First hot lunch Oct 26/27

Fundraising Report – Allyson

- Mabels labels has brought in \$123.80 from 11 people using it.
- Talked about not doing the Veggie Fundraiser this year as it has gone down hill. Ideas for new fundraisers were Moms Pantry, Little Ceasars and a cookie dough one.
- Allyson is going to reach out for packages from Moms Pantry and Little Ceasars to see what they all entail. Will provide update at next meeting.

Treasurer Report

- This was tabled till next meeting as Melissa S was not there.
- After looking at report at next meeting, Megan suggested that we pick a couple of items to fundraise for ie. Face to Face coming back to the school. That way we can tell people what the fundraisers are going to not just that we are fundraising.

Next Meeting Date Sept 21,2022 at 6pm
