Outstanding Business:

K of C Bingo Shifts. Two shifts have been completed, they were both successful nights for bingo with around 86 people. Looking like SCC would get roughly a $500 payout for those nights. Will have to confirm with Bruno about kids coming.

Bourassa Grant. After looking Michelle realized this doesn't apply to us as a school so we will not go ahead with this grant

Walmart Grant. Michelle is looking at applying for this grant for $1000. It could potentially go towards buying things to help out with our breakfast program - muffin tins, cookware etc. Also could be used for buying certain equipment for intramurals/ toys for outside.

St Johns Music Grant. Michelle and Jeff Lunde are looking into this grant for $20,000 this would go towards enhancing our band program at the school.

Weyburn Credit Union Grant. This grant opens up in January for submissions and it will be tabled till the new year.

Drama Government Grant. Michelle and Melissa Renz are looking into this grant to help enhance our drama program.

Teacher Appreciation. This will be happening Thursday after Student Led Conferences will be looking into cinnamon buns and some special coffees and hot chocolates for staff.

Hot Lunch Changes. Hot lunch will be increasing in the 2026/2027 school year. There will be notice sent to parents right before February Break.

New Business

Bookfair. Michelle has lined up some of the EAs and Office Admin to help with volunteering for the book fair; there will also be some SCC members helping out as well. A wishlist for Christmas Presents was brought up as an idea for grandparents to maybe buy some gifts for kids. Michelle will look into this as it is sometimes an additional cost for things with the bookfair.

Committee Reports

SRC Report - Sam & Hentley

The SRC has been busy this year as they have all the spirit days planned out for the year. Some spirit days that have already happened were PJ/comfy day, Orange and Black day, Orange Shirt day, Future Career day, Blue Jay day, Rider Pride day and on Halloween it was Costume day. They had a Halloween dance for the 7-9s that was well attended and lots of fun. Students voted on best individual costumes and best group costumes, and also had a dance off for prizes as well. They will begin planning for our Christmas assembly that will be on the last day of school before Christmas Break.
